

WORLD BIKETRIAL CHAMPIONSHIP 2014 - AGENDA

SITUATION

Òdena is a village located in the region of **Anoia** (province of Barcelona) and one of the villages that –along with Montbui and Igualada- are part of the Conca d'Òdena. Òdena is in 2km far from Igualada and 60km from Barcelona. This village is located in the heard of Catalonia.

It is situated close to the highway **A2 at Exit 555** and to the mountain of Montserrat. As far as the airports refers, it's is close to the **airports** of Barcelona, Girona and Tarragona. As the **beaches** concern, it's located 30 minutes far from Barcelona and 1 hour from the beaches of the Costa Daurada in Tarragona.

With about 3,500 residents, is one of the places with more territory of Anoia's region. The restored castle tower placed in the core of the village is the most relevant architectural building of Òdena.

Òdena is a town with a **great engagement to the sport**. Every year, they have welcomed outstanding events such as *Enduro Championship of Catalonia*, the *Only Woman* which has been the largest girls' bike meeting ever in Catalonia and the annual celebration of the *Duathlon Mountain Open Nature*. Other motorcycle events such as trial ones have been recently held. These sports take advantage of the Odena's great geography which stands out for its fantastic land of forests, streams and areas with large stones.

Òdena is proud of his two young champion brothers called **Seuba Brothers** which stand out their abilities at the biketrial discipline. Finally, Òdena also has the BikeTrial School and permanent areas with obstacles ready for the enjoyment for the riders.

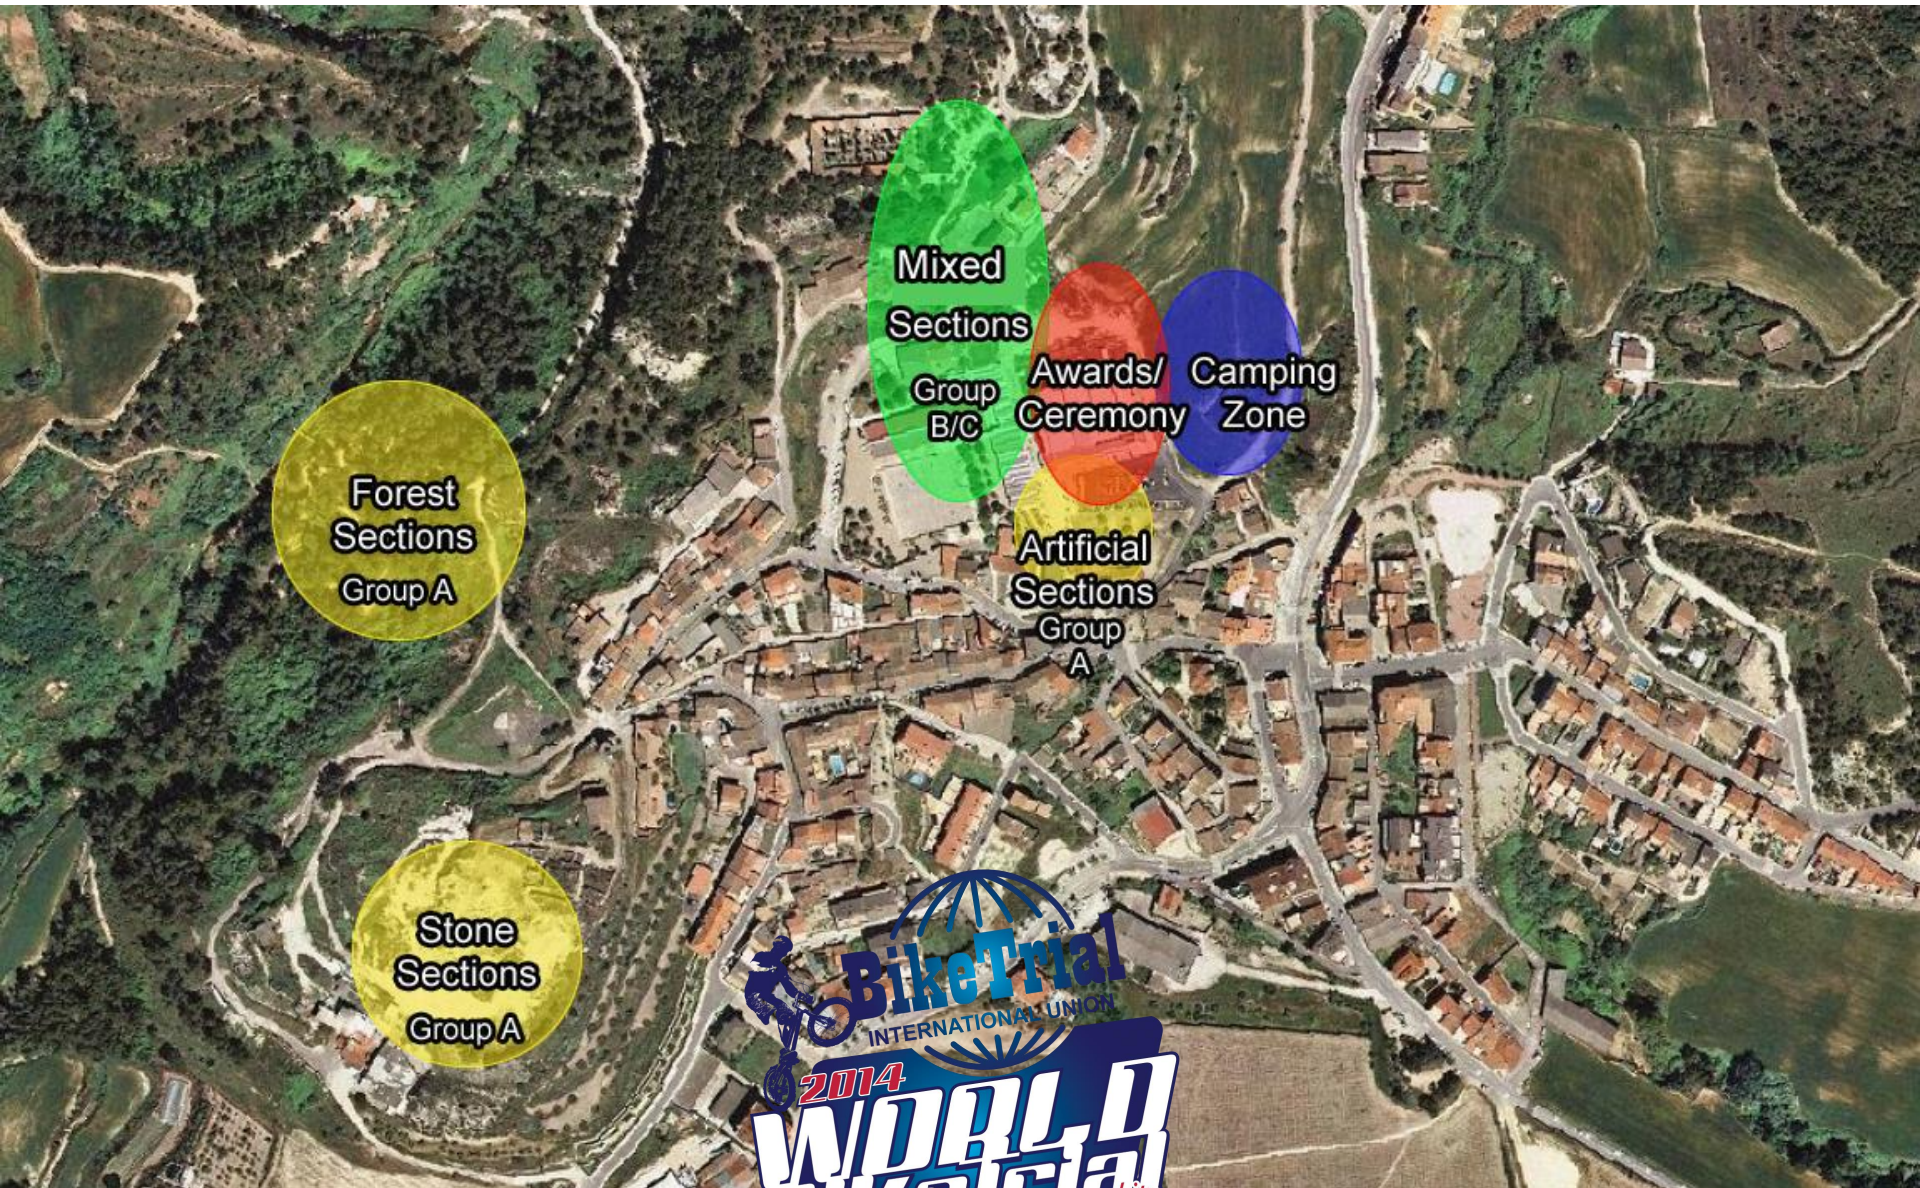

ORGANIZATION

OCISPORT is the company responsible for organizing the event, which has years of **experience** in this sector.

The most outstanding events organized have been the *Mountain Sport Olympic Games*, the *Mountain Bike World Cups*, several Cups and Championship in Spain, Running and Skiing Championship fairs and active outdoor sport events.

As far as the Biketrial Sport, they have organized the two last successful editions of the World BikeTrial Championship in Igualada.
