## WELCOME TO THE WORLD BIKETRIAL CHAMPIONSHIP 2026

### WELCOME IN CASTELLVI DE ROSANES

Dear athletes, dear guests,

The City Council of Castellví de Rosanes, and on its behalf myself as Mayor and Councilor for Sports, would like to welcome you to our municipality on the occasion of the World BikeTrial Championship 2026.

Castellví de Rosanes has always had a strong tradition linked to two wheels: originally non-motorized and, currently, also motorized thanks to the Trial Club Castellví de Rosanes. Our surrounding territory is ideal for cycling in all its forms. Every weekend, our roads, paths, and tracks are filled with amateur athletes enjoying our privileged environment for the practice of cycling.

In the competitive sphere, the municipality organizes and hosts one of the youth rounds of the Catalan Trial Championship. We have also already hosted an edition of the Castellví de Rosanes Road Cycling Grand Prix (Masters category), organized by the Catalan Cycling Federation.

Therefore, we take on—with the utmost enthusiasm and full cooperation—the challenge of organizing, together with the Catalan BikeTrial Union and the Trial Club Castellví de Rosanes, this sporting event that will establish our municipality as a benchmark in the organization of such championships.

We sincerely appreciate that your organization has chosen our village to host this competition. From this moment on, we are getting to work to offer a great sporting event for the participants, the attending public, and everyone who is part of the organization.

*Sergi Busquets Lara*

*Castellví de Rosanes Mayor and Councilor for Sports*

### WELCOME IN THE CATALONIAN BIKETRIAL FAMILY

As the *Catalonian BIU Delegate*, it is a true honor to welcome you to Castellví de Rosanes, which this year, 2026, once again becomes the global epicenter of our sport. For us, this return is deeply moving: it means returning to the stage where we celebrated a historic World BikeTrial Championship back in 2002, recovering the magic of a setting that left a lasting mark on our sporting memory.

Castellví de Rosanes, with its vineyard landscapes and the iconic silhouette of Montserrat in the background, is the ideal location for BikeTrial. Its technical terrain and topography faithfully represent the essence of our discipline. It is a source of pride to see how the history of this municipality intertwines once again, 24 years later, with the international BikeTrial elite. Beyond the adrenaline of the competition, Castellví's location is unbeatable for families. We are just a stone's throw away from the vibrant city of Barcelona and only a few kilometers from the magnificent beaches of the Catalan coast. This ensures your stay will be much more than just a sporting event; it is the perfect opportunity for riders and companions to enjoy a few days of rest, culture, and the sea in a unique Mediterranean environment.

Following the great work carried out by the BUC over the recent seasons, we have chosen this privileged setting to host this new chapter. My most sincere thanks to the Castellví de Rosanes Town Council and all the collaborators for their total support and enthusiasm.

I look forward to seeing you all for this exciting World BikeTrial Championship reunion! And as always: *Visca el BikeTrial!*

Don't miss the 2026 BikeTrial World Championship in Castellví de Rosanes!

*Mr. Toni Tamame – Catalan BIU Delegate*
